The Annual SHIELD Fund

Each year, we seek to raise funds for operational expenses and program development. The money raised will enable youth to be paired with a mentor to service them with life-changing experiences that are focused on equipping them with a plan, a task and a path. Additional funds raised will go directly to the operation of the organization. For \$1000 per child, per calendar year, we can provide each youth with books, materials, refreshments and educational trips that complement our mentoring and leadership curriculum. Furthermore, the annual campaign has three goals:

- 1) Increase the participation and support of family, friends and other community organizations for the several programs offered by SHIELD Mentor Program.
- 2) Raise \$5,000 to fund current and future programming.
- 3) Raise \$1,000 for administrative and other miscellaneous organizational expenses.
